The Tolls received at Troy up to and including

July 10th were \$11,029 49, against \$10,438 31 same time last year.

Total amount of Tolls received on the Genesee

Valley Canal at Rochester, Scottsville, and Danville, for the years 1844 and 1845, up to July 1st, each year:

Table with columns for Year, Location, and Amount. Includes Rochester, Scottsville, and Danville.

Showing an increase in favor of the past five months

of the present year to the amount of \$14,455 15. The aggregate compensation of officers is \$18,300.

A statement, showing the debts and credits of the Canal

on the 31st of May, 1845, shows the debts at \$1,692,224, and the credits at \$1,838,629, leaving a balance in favor of \$146,405.

The exhibit of the Treasurer shows the receipts into

the Treasury of the Company from the date of its organization to the 31st May, 1845, to have been \$12,199,753, and the payments \$12,179,456—leaving in the Treasury \$19,297.

Receipts during the year ending with the 31st of

May last have been \$72,812, which, added to the balance of \$9,962, in hand at the beginning of the year, gives a total of \$1,172,774. Of which sum there has been paid out \$2,627, leaving on hand \$19,297.

This shows a small business for a work of this magnitude.
